## KitchenAid® Built-In Cooktops

KitchenAid® Built-In Gas Cooktops feature a KitchenAid exclusive Clear Coat technology to protect stainless steel finishes from yellowing with age. The Clear Coat also reduces chemical and food stains, scratching, fingerprinting and cleaning. Cooktops offer an exceptional variety of cooking functions and precision control, have burners with up to 17,000 BTUs and laser-etched graphics. Newly designed, their performance and versatility meet the needs of the passionate cook. Cooktops are available in a wide selection of styles and finishes to match the aesthetics of most any cook's kitchen.
