## KitchenAid® Counter-Depth Refrigerators

KitchenAid® Counter-Depth Refrigerators appeal to those who love to cook and want room to move freely around the kitchen. A semi-custom, built-in look is achieved through three distinct exterior options: wrap-around stainless steel doors with contoured Architect® Series handles; factory-installed stainless-look trim and panels; or factory-installed trim with the option to install custom panels. Designed for tight spaces in new and remodeled kitchens, counter-depth refrigerators rest

flush with a 24" cabinet, are available in 69" and 72" heights and provide up to 25 cubic feet of interior space. KitchenAid® Counter-Depth Refrigerators deliver the craftsmanship and performance that make them an essential part of home and culinary plans. All are ENERGY STAR® qualified.
