## KitchenAid® briva® In-Sink Dishwasher

KitchenAid® briva® in-sink dishwasher, now sized to fit 36-inch base cabinets, can complete small loads up to three times faster than traditional dishwashers. This innovation functions three ways: as a dishwasher, a fully functional sink and an instant food staging area.

It's perfect for parties, as a second dishwasher or for small kitchens and wet bars. For the cook entertaining a crowd or just making dinner for one, its flexibility and time-saving options make the briva® in-sink dishwasher an ideal addition for the well-equipped kitchen.
