Whirlpool Corporation Selected as Exclusive Appliance Partner by Horton Homes

BENTON HARBOR, Mich. (June 22, 2010) – Whirlpool Corporation (NYSE: WHR) was recently named the exclusive appliance partner for Horton Homes, a privately held leader in the manufactured housing industry. As part of the agreement, Whirlpool Corporation will provide Whirlpool and Maytag brand appliances to Horton Home’s modular and manufactured homes.

“We are impressed with Whirlpool Corporation’s excellent reputation in the industry and with consumers, and are confident that its appliance delivery and in-the-field support is exactly what we need,” said Steve Gregory, vice president of purchasing for Horton Homes.

Horton Homes develops and manufactures many components within the homes it builds, including dry wall, frames and moldings to ensure quality craftsmanship and fast delivery. Priding itself on providing superior construction, energy efficiency and breadth of amenities, Horton Homes will offer Whirlpool and Maytag brand appliances in its homes’ kitchen and laundry areas.

“Whirlpool and Maytag brand appliances provide an enhanced level of quality, energy efficiency and features for which Horton Homes is known, making us an ideal partner,” said Tom Halford, general manager, contract sales and marketing at Whirlpool Corporation. “We’re honored to be part of Horton Homes’ commitment to the community and admirable business practices.”

About Horton Homes

Horton Homes, located in Eatonton, Georgia, is the leading producer of HUD code manufactured homes and modular homes at a single facility in the nation. Manufacturing three homes a week in an abandoned chicken house in 1970, Horton Homes has grown to a 100-acre facility, with a manufacturing
